

Weekly Home Blessing Checklist

Mark weekly priorities and set a timer. Clean as much as you can until the timer goes off! Start with the things that will make the biggest impact. Don't feel bad about stopping when the timer goes off, give yourself grace. You can set another timer and work on a second cleaning spurt later if you want to finish additional cleaning tasks.

BEDROOMS:

- Dust ceiling fans
- Dust surfaces & pictures
- Change sheets
- Make bed
- Put away clutter
